Third Party Liability. Every person on Glendining & Co.'s premises at any time shall be deemed to be there at his or her risk. He or she shall have no claim against Glendining & Co. in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Glendining & Co. employees.

General Conditions of Sale

1. **Definitions.** In these Conditions Glendining & Co., who act only as auctioneers and agents for the vendor, are called "the Auctioneers", and the representative of Glendining & Co. conducting the auction is called "The Auctioneer".
2. **General.** Whilst Glendining & Co. make every effort to ensure the accuracy of their catalogue and the description of any lot:
 - (a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
 - (b) Glendining & Co. do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot, unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining & Co., unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (d) Any claim under any Statute must be received in writing by the Auctioneer within ten days of the day of the sale.
3. **The Auction.**
 - (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.
 - (b) The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.
 - (c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).
 - (d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.
4. **Rescission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendining & Co. have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendining & Co. in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Glendining & Co. that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same refunded. Both the buyer and the vendor agree to be bound by the decision of Glendining & Co.
5. **Default.** Glendining & Co. disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.
6. In the event of a sale by private treaty both the vendor and the buyer agree to be bound by the General and any Special Conditions of Sale.

Vendors Conditions

7. **Instructions.** As Glendining & Co. are auctioneers, all goods delivered to Glendining & Co.'s premises will be deemed to be delivered for sale by auction unless otherwise previously stated in writing and will be catalogued and sold at Glendining & Co.'s discretion and accepted by Glendining & Co. subject to all the Sale Conditions. By delivering the goods to Glendining & Co. for inclusion in their auction sales each vendor acknowledges that he or she has accepted and agreed to be bound by all these Conditions.
8. **Collections.** If Glendining & Co. are unable to undertake the collection of goods, they will if requested in writing, instruct a contractor on the vendor's behalf in their capacity as agents. Glendining & Co. disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods and for damage to premises caused by the contractor who should be insured for such risks. Unless instructions are received to the contrary the charge for these services will be deducted from the proceeds of sale.
9. **Loss or Damage.** Glendining & Co. disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the direct negligence of their employees.
10. **Storage.** Glendining & Co. reserve the right to store or arrange for the storage of goods delivered to them for sale either on their own premises or elsewhere at their sole discretion. They exempt themselves from any liability for loss or damage to goods delivered to their sale rooms without sufficient sale instructions and reserve the right to make a minimum storage charge at 25p per lot per day for such goods (unless the loss or damage is caused by the negligence of their employees).
11. **Right to Sell.** Vendors will be charged for goods left on the premises if the vendor has been requested to remove them and if the goods are not removed within twenty-one days of such request Glendining & Co. reserve the right to sell the goods to defray costs and storage charges.

12. Insurance.

- (a) Unless otherwise instructed in writing all goods on Glendining & Co.'s premises and in their custody will be held insured against the risks of fire, theft following forcible entry and water damage (but not against accidental breakage or damage) for which insurance Glendining & Co. will charge a premium of £1 per £100 (minimum £1). The value of the goods so covered shall be the gross amount realised, or in the case of unsold lots the best bid, or in the case of goods withdrawn prior to a sale that which the specialised staff of Glendining & Co. shall in their absolute discretion estimate to be the auction value of such goods.
- (b) Glendining & Co. shall not be responsible for damage to or the loss, theft or destruction of any goods not so insured upon the owner's written instructions.
- (c) Glendining & Co. shall not be responsible for accidental breakage, loss or damage howsoever caused unless directly caused by negligence of their employees.
- (d) In respect of any article delivered to Glendining & Co. if the vendor has in force a policy or policies of insurance in which the article is specifically mentioned as being insured, whether or not for an agreed sum or value, the vendor shall notify his insurers of and shall himself note Glendining & Co.'s interest as bailees in such policy or policies.

13. Reserves.

- (a) All goods are put up for sale WITHOUT RESERVE at the Auctioneer's discretion unless written instructions as to reserves are received by one hour prior to the commencement of the sale.
- (b) In the event of any reserve price not being reached at auction Glendining & Co. are empowered to sell after the auction, by private treaty, at not less than the reserve price, as long as the goods remain on Glendining & Co.'s premises. In the event of such a sale by private treaty the Conditions of Sale applicable to a buyer governing the auction will apply.

14. Indemnity. The vendor shall duly indemnify Glendining & Co. against any claims in connection with any goods sold by Glendining & Co. on the vendor's behalf.

15. Value Added Tax. A vendor who sends for sale by auction any chattel(s) which is an asset of his business must disclose to the Auctioneer whether or not he is a registered person for Value Added Tax purposes and, if so, his registered number and whether or not he intends to operate the special scheme covering works of art, etc. This information must be supplied to the Auctioneer on or prior to delivery of the goods.

16. The vendor authorises the Auctioneer to deduct commission and expenses at the stated rates from the hammer price and acknowledges the Auctioneer's right to retain any premium payable by the purchaser.

17. Rights to Photographs and Illustrations. The vendor gives Glendining & Co. full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs provided by the vendor at any time at its absolute discretion (whether or not in connection with the auction).

Buyers Conditions

18. Inspection. Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully before bidding by inspection or otherwise as to all the Sale Conditions the physical condition of and description of the lot including but not restricted to whether the lot is damaged or has been repaired or restored.

19. Property and Risk. Legal title will not pass to the buyer until the lot(s) has been paid for in full and the Auctioneers shall be entitled to a lien on any lot sold until the purchase price (as defined in 22 below) is paid in full but each lot is at the sole risk of the buyer from the fall of the hammer. Each buyer shall forthwith give his full names and permanent address and if called upon to do so by the Auctioneer shall forthwith pay to Glendining & Co. such proportion of the purchase price as the Auctioneer may require. If the buyer fails to do so, the lot may at the Auctioneer's sole discretion be put up again and re-sold.

20. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Glendining & Co. that he acts as agent on behalf of a named principal.

21. Removal of Goods.

- (a) No purchase shall be claimed or removed until it has been paid for and the sale has been concluded. All purchases shall be paid for and removed at the buyer's risk and expense by the end of the second working day after the sale, failing which the Auctioneer shall not be responsible if the same are lost, stolen, damaged or destroyed, and all lots not so removed shall remain at the risk of the buyer and subject to a minimum warehousing charge of 25p per lot per day. If they are not paid for and removed within seven days of the sale the Auctioneer may re-sell them by auction or privately without notice to the buyer. Any liability which there may be on the part of the Auctioneer in respect of any loss shall be restricted to a maximum of the price paid by the buyer of the lot.
- (b) In the event of any failure of the buyers to comply with any of the above conditions the damages recoverable by the seller or the Auctioneers from the defaulter shall include any loss arising on any re-sale of the lot, together with the charges and expenses in respect of both sales, and together with interest at 2% above Midland Bank PLC Base Rate upon the price of any lot which has not been paid for within 48 hours of the sale, and any money deposited in part payment shall be held by the Auctioneers on account of any liability of the defaulter to them or to the seller. The Auctioneers are unable to accept payment from successful bidders other than in cash or by the bidder's own cheque. Cheques drawn by third parties, whether in the Auctioneers' favour or requiring endorsement, cannot be accepted.

22. Value Added Tax. The Buyer will be liable to pay V.A.T. at the standard rate on the hammer price on those Lots indicated with a dagger (†) after the Lot number. This V.A.T. is refundable on proof of export by Overseas Buyers within 28 days of Sale.

The premium is NOT negotiable and attracts V.A.T. at the standard rate and is payable by ALL purchasers. The vendor authorises the Auctioneer to deduct commission and expenses at the stated rates from the hammer price and acknowledges the Auctioneer's right to retain the premium payable by the purchaser.

Subscription Service

Subscriptions to our catalogues run on an annual basis from January each year. On average we issue some 20 Coin catalogues, and a further four specialising in Orders, Decorations and Medals, for which a separate subscription rate is offered. Most catalogues contain some plates of illustrations. In the course of each year several of the catalogues are of more important collections, and usually two or more contain coins of the Ancient World.

We aim to post the catalogues to arrive some three weeks prior to the date of the sale. Lists of "Prices Realised" are issued after each sale and these are enclosed in a following catalogue, at no extra cost.

Subscriptions received after July 1st are for half the annual cost.

For the convenience of customers the subscriptions are priced for differing postal zones, and all overseas catalogues are sent by air mail.

Zone A = U.K. and Ireland; Zone B = Europe; Zone C = Rest of the World

Type of catalogue	Zone A	Zone B	Zone C
Coin sales	£15	£20	£30 (U.S. \$45)
Medal sales	£6	£8	£15 (U.S. \$25)
